The screenshot displays the Code.org Studio interface for 'Fase 4: Depurando com Laurel'. The interface is divided into several sections:

- Top Bar:** Shows the course name 'Fase 4: Depurando com Laurel', a progress indicator with 10 circles (the second is filled), and the user's name 'Oswaldo'.
- Instructions Panel:** Contains the text 'O não! Eu vejo um problema.' and 'Conserte o(s) erro(s) para coletar todo o tesouro.' It includes a play button and a 'Menos' button.
- Game Grid:** A 5x5 grid with a character and purple treasure items. Below it are 'Executar' and 'Passo' buttons.
- Objective Panel:** Shows 'Objetivo' with a purple treasure icon and '0/3', and a 'Concluir' button.
- Block-based Coding Workspace:** Features a 'quando executar' block containing three 'avance' blocks, and a 'repetir' block with a 'faça' block inside. A 'coletar' block is also visible.

Red arrows highlight specific elements: one points to the 'Executar' button, another to the 'Mais' button, a third to the 'repetir' block, and a fourth to the 'quando executar' block.
